

RULES AND REGULATIONS
OF THE
LYNCHBURG MULTIPLE LISTING SERVICE

LISTING PROCEDURES

Section 1.LISTING PROCEDURES: Listings of properties of the following types which are listed subject to a real estate broker's license, and are located within the territorial jurisdiction of the Lynchburg Association of REALTORS®, Inc., and are taken by Participants on Exclusive Right to Sell listing forms shall be delivered to the Multiple Listing Service within 48 hours (excepting weekends and Association office holidays) after all necessary signatures of seller(s) have been obtained:

(a) Single family homes for sale or exchange, but excluding properties subject to auction unless in compliance with Section 1.1.1.

NOTE 1: The Multiple Listing Service shall not require a Participant to submit listings on a form other than the form the Participant individually chooses to utilize provided the listing is of a type accepted by the Service, although a "Property Data Form" may be required as approved by the Multiple Listing Service. However, the Multiple Listing Service, through its legal counsel:

1. May reserve the right to refuse to accept a listing form which fails to adequately protect the interest of the public and the Participants.

2. Assure that no listing form filed with the Multiple Listing Service establishes, directly or indirectly, any contractual relationship between the Multiple Listing Service and the client (buyer or seller).

The Multiple Listing Service shall accept exclusive right to sell listing contracts and exclusive agency listing contracts, and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other Participants of the Multiple Listing Service acting as subagents, buyer agents, or both.

The listing agreement must include the seller's authorization to submit the agreement to the Multiple Listing Service.

3. The different types of listing agreement include:

- (a) exclusive right to sell
- (b) exclusive agency
- (c) open
- (d) net

The Service will NOT accept net listings because they are deemed unethical and, in most states, illegal. Open listings are NOT accepted except where required by law, because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation.

The exclusive right to sell listing is the conventional form of listing submitted to the Multiple Listing Service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers.

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on a blanket unilateral basis, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right to sell listings with named prospects exempted should be clearly distinguished by a simple designation such as a code or symbol from exclusive right to sell listings with no named prospects exempted, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right to sell listings with no named prospects exempted. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right to sell listings with prospect reservations.

NOTE 2: A Multiple Listing Service does not regulate the type of listings its Members may take. This does not mean that a Multiple Listing Service must accept every type of listing. The Multiple Listing Service shall decline to accept open listings (except where acceptance is required by law) and net listings and it may limit its service to listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its Members free to accept such listings to be handled outside the Multiple Listing Service.

NOTE 3: A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings.

Section 1.1 TYPES OF PROPERTIES: The following are the types of properties that may be handled through the Service, including types described in the preceding paragraph that are required to be filed with the Service and other types that may be filed with the Service at the Participant's option provided, however, that any listing submitted is entered into within the scope of the Participant's licensure as a real estate broker:

1. Commercial/Industrial
2. Farms
3. Acreage tracts
4. Vacant lots
5. Lot subdivision
6. Multi-Family
7. Properties in which Participants or subscribers of the Service have ownership interest.
8. Properties available for sale, but subject to auction only as permitted in Section 1.1.1.
9. Property sales by trustees and sales by order of the Courts.
10. Any property located outside the territorial jurisdiction of the Lynchburg Association of REALTORS®, Inc.

Section 1.1.1. PROPERTIES AVAILABLE FOR SALE BUT SUBJECT TO AUCTION. Properties available for sale but subject to an auction at a later date are only permitted in the Service if such properties are actual bona-fide listings through the Service and are available for purchase by potential purchasers until a date certain, after which date the property will be subject to auction. To be included in this category, the listing shall contain in the "Agent Remarks" the date upon which a written purchase contract must be executed between the seller and purchaser. After such date, the property will be subject to auction. The listing shall be "withdrawn/released" (removed) from the Service to be completed by the Association's MLS Administrator at least 48 hours prior to the auction date. If the property is not sold at auction, the property may be listed again with the Service, but a new Listing Agreement executed by the listing broker and seller shall be required. Such new listing shall be subject to the Rules and Regulations of the Service.

Section 1.1.2. LISTINGS SUBJECT TO RULES AND REGULATIONS OF THE SERVICE: Any listing taken on a contract to be filed with the Multiple Listing Service is subject to the Rules and Regulations of the Service upon signature of the seller(s).

Section 1.2 DETAIL ON LISTINGS FILED WITH THE SERVICE: A Listing Agreement or Property Data Form, when filed with the Multiple Listing Service by the listing broker, shall be complete in every detail which is ascertainable as specified on the Property Data Form. In the event an incomplete listing is filed with the Service, the listing broker will be notified by phone or fax of the information needed and will then be given twenty-four (24) hours (excepting weekends and Association office holidays) to supply the Service with said information. If not, a fine, as from time to time established by the Board of Directors, shall be charged.

Section 1.2.1—Limited Service Listings: Listing agreements under which the listing broker will not provide one, or more, of the following services:

- (a) arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s)
- (b) accept and present to the seller(s) offers to purchase procured by cooperating brokers but instead gives cooperating brokers authority to present offers to purchase directly to the seller(s)
- (c) advise the seller(s) as to the merits of offers to purchase
- (d) assist the seller(s) in developing, communicating, or presenting counter-offers
- (e) participate on the seller's(s') behalf in negotiations leading to the sale of the listed property

will be identified with an appropriate code or symbol (e.g., LR or LS) in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property. (Adopted 05/01)

Section 1.2.2—MLS Entry-only Listings: Listing agreements under which the listing broker will not provide any of the following services:

- (a) arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s)
- (b) accept and present to the seller(s) offers to purchase procured by cooperating brokers but instead gives cooperating brokers authority to present offers to purchase directly to the seller(s)
- (c) advise the seller(s) as to the merits of offers to purchase
- (d) assist the seller(s) in developing, communicating, or presenting counter-offers
- (e) participate on the seller's(s') behalf in negotiations leading to the sale of the listed property

will be identified with an appropriate code or symbol (e.g., EO) in MLS compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers' clients, prior to initiating efforts to show or sell the property.

Section 1.3 EXEMPTED LISTINGS: If the seller refuses to permit the listing to be disseminated by the Service,

the Participant may then take the listing (office exclusive) and such listing shall be filed with the Service but not disseminated to the Participants. Filing of the listing should be accompanied by certification signed by the seller(s) that he/she (they) does (do) not desire the listing to be disseminated by the Service.

NOTE: Section 1.3 is not required for listings other than single-family residential properties located within the Board's territorial jurisdiction.

Section 1.4 CHANGE OF STATUS OF LISTING: Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the Service within forty-eight (48) hours (excepting weekends and Association office holidays) after the authorized change is received by the listing broker.

Section 1.5 WITHDRAWAL OF LISTING PRIOR TO EXPIRATION: Listings of property may be withdrawn from the Multiple Listing Service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker's concurrence. However, when a seller(s) can document that his/her (their) exclusive relationship with the listing broker has been terminated, the Multiple Listing Service may remove the listing at the request of the seller.

Section 1.6 CONTINGENCIES APPLICABLE TO LISTINGS: Any contingency or conditions of any term in a listing shall be specified and noticed to the Participants.

Section 1.7 LISTING PRICE SPECIFIED: The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings.

Section 1.8 LISTING MULTIPLE UNIT PROPERTIES: All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the Property Data Form. When part of a listed property has been sold, proper notification should be given to the Multiple Listing Service.

Section 1.9 NO CONTROL OF COMMISSION RATES OR FEES CHARGED BY PARTICIPANTS: The Multiple Listing Service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by Participants. Further, the Multiple Listing Service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating Participants or between Participants and nonparticipants.

Section 1.10 EXPIRATION, EXTENSION, AND RENEWAL OF LISTINGS: Listings filed with the Multiple Listing Service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed.

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and be filed with the Service.

Section 1.11 TERMINATION DATE ON LISTINGS: Listings filed with the Service shall bear a definite and final termination date as negotiated between the listing broker and the seller.

Section 1.12 JURISDICTION: Only residential properties within the jurisdiction of the MLS are required to be submitted to the Service. Listings of property located outside the MLS's jurisdiction will be accepted if submitted voluntarily by a Participant, but cannot be required by the Service.

Section 1.13 LISTINGS OF SUSPENDED PARTICIPANTS: When a Participant of the Service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligations except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the suspended Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became effective. If a Participant has been suspended from the association (except where MLS participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the suspended Participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended Participant's listings from the MLS, the suspended Participant should be advised, in writing, of the intended removal so that the suspended Participant may advise his clients.

Section 1.14 LISTINGS OF EXPELLED PARTICIPANTS: When a Participant of the Service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, Association Bylaws, MLS Bylaws, MLS Rules and Regulations, or other membership obligations, except failure to pay appropriate dues, fees or charges), all listings currently filed with the MLS by the expelled Participant shall, at the Participant's option, be retained in the Service until sold, withdrawn or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a Participant has been expelled from the association (except where MLS participation without Association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees or charges, an Association MLS is not obligated to provide MLS services, including continued inclusion of the expelled Participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled Participant's listings from the MLS, the expelled Participant should be advised, in writing, of the intended removal so that the expelled Participant may advise his clients.

Section 1.15 LISTING OF RESIGNED PARTICIPANTS: When a Participant of the service resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned Participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned Participant's listings from the MLS, the resigned Participant should be advised, in writing, of the intended removal so that the resigned Participant may advise his clients.

SELLING PROCEDURES

Section 2 SHOWING AND NEGOTIATIONS: Appointments for showings and negotiations with the seller for the purchase of listed property filed with the Multiple Listing Service shall be conducted through the listing broker except under the following circumstances:

- (a) the listing broker gives the cooperating broker specific authority to show and/or negotiate directly, or
- (b) after reasonable effort, the cooperating broker cannot contact the listing broker or his representative; however, the listing broker, at his option, may preclude such direct negotiations by cooperating brokers.

Section 2.1 PRESENTATION OF OFFERS: The listing broker must make arrangements to present the offer as soon as possible, or give the cooperating broker a satisfactory reason for not doing so.

Section 2.2 SUBMISSION OF WRITTEN OFFERS AND COUNTER-OFFERS: The listing broker shall submit to the seller all written offers until closing unless precluded by law, government rule, regulation, or agreed otherwise in writing between the seller and the listing broker. Unless the subsequent offer is contingent

upon the termination of an existing contract, the listing broker shall recommend that the seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Participants representing buyers or tenants shall submit to the buyer or tenant all offers and counter-offers until acceptance, and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract has been terminated.

Section 2.3 RIGHT OF COOPERATING BROKER IN PRESENTATION OF OFFER: The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations.

Section 2.4 RIGHT OF LISTING BROKER IN PRESENTATION OF COUNTER-OFFER: The listing broker or his representative has the right to participate in the presentation of any counter-offer made by the seller or lessor. He does not have the right to be present at any discussion or evaluation of a counter-offer by the purchaser or lessee (except when the cooperating broker is a subagent). However, if the purchaser or lessee gives written instructions to the cooperating broker that the listing broker not be present when a counter-offer is presented, the listing broker has the right to a copy of the purchaser's or lessee's written instructions.

Section 2.5 REPORTING SALES TO THE SERVICE: Status changes, with the exception of final closing of sales and sales prices*, shall be reported to the Multiple Listing Service by the listing broker within 48 hours (excepting weekends and Association office holidays) after they have occurred. If negotiations were carried on under Section 2(a) or (b) hereof, the cooperating broker shall report accepted offers and prices to the listing broker within twenty-four (24) hours after occurrence and the listing broker shall report them to the MLS within twenty-four (24) hours after receiving notice from the cooperating broker.

*Final closing of sales and sales prices shall be reported to the Multiple Listing Service within five (5) business days of the date of settlement.

Note 1: The listing agreement of a property filed with the MLS by the listing broker should include a provision expressly granting the listing broker authority to advertise; to file the listing with the MLS; to provide timely notice of status changes of the listing to the MLS; and to provide sales information including selling price to the MLS upon sale of the property. If deemed desirable by the MLS to publish sales information prior to final closing (settlement) of a sales transaction, the listing agreement should also include a provision expressly granting the listing broker the right to authorize dissemination of this information by the MLS to its participants.

Note 2: In disclosure states, if the sale price of a listed property is recorded, the reporting of the sale price may be required by the MLS.

In states where the actual sale prices of completed transactions are not publicly accessible, failure to report sale prices can result in disciplinary action only if the MLS:

1. categorizes sale price information as confidential and
2. limits use of sale price information to participants and subscribers in providing real estate services, including appraisals and other valuations, to customers and clients; and to governmental bodies and third-party entities only as provided below.

The MLS may provide sale price information to governmental bodies only to be used for statistical purposes (including use of aggregated data for purposes of valuing property) and to confirm the accuracy of information submitted by property owners or their representatives in connection with property valuation challenges; and to third-party entities only to be used for academic research, statistical analysis, or for providing services to participants and subscribers. In any instance where a governmental body or third-party entity makes sale price information provided by the MLS available other than as provided for in this provision, a listing participant may request the sale price information for a specific property be withheld from dissemination for these purposes with written authorization from the seller, and withholding of sale price information from those entities shall not be construed as a violation of the requirement to report sale prices.

Note 3: As established in the Virtual Office Website (“VOW”) policy, sale prices can only be categorized as confidential in states where the actual sale prices of completed transactions are not accessible from public records.)

Section 2.6 REPORTING RESOLUTIONS OF CONTINGENCIES: The listing broker shall report to the Multiple Listing Service within 48 hours (excepting weekends and Association office holidays) that a contingency on file with the Multiple Listing Service has been fulfilled or renewed, or the agreement canceled.

Section 2.7 ADVERTISING OF LISTING FILED WITH THE SERVICE: A listing shall not be advertised by any participant other than the listing broker without the prior consent of the listing broker.

Section 2.8 REPORTING CANCELLATION OF PENDING SALE: The listing broker shall report immediately to the Multiple Listing Service the cancellation of any pending sale; and the listing shall be reinstated immediately.

Section 2.9 Listing brokers, in response to inquiries from buyers or cooperating brokers shall, with the seller's approval, disclose the existence of offers on the property. Where disclosure is authorized, listing brokers shall also disclose, if asked, whether offers were obtained by the listing licensee, by another licensee in the listing firm, or by a cooperating broker.

Section 2.10 Listing brokers shall not misrepresent the availability of access to show or inspect listed property.

REFUSAL TO SELL

Section 3 REFUSAL TO SELL: If the seller of any listed property filed with the Multiple Listing Service refuses to accept a written offer satisfying the terms and conditions stated in the listing, such fact shall be transmitted immediately to the Service and to all Participants.

PROHIBITIONS

Section 4 INFORMATION FOR PARTICIPANTS ONLY: Any listing filed with the Service shall not be made available to any broker or firm not a Member of the MLS without the prior consent of the listing broker.

Section 4.1 FOR SALE SIGNS: Only the for sale sign of the listing broker may be placed on a property.

Section 4.2 SOLD SIGNS: Prior to closing, only the sold sign of the listing broker may be placed on a property, unless the listing broker authorizes the cooperating (selling) broker to post such a sign.

Section 4.3 SOLICITATION OF LISTING FILED WITH THE SERVICE: Participants shall not solicit a listing on property filed with the Service unless such solicitation is consistent with Article 16 of the REALTORS® Code of Ethics, its Standards of Practice and its Case Interpretations.

NOTE: This section is to be construed in a manner consistent with Article 16 of the Code of Ethics and particularly Standard of Practice 16-4. This section is intended to encourage sellers to permit their properties to be filed with the Service by protecting them from being solicited, prior to expiration of the listing, by brokers and salespersons seeking the listing upon its expiration.

Without such protection, a seller could receive hundreds of calls, communications, and visits from brokers and salespersons who have been made aware through MLS filing of the date the listing will expire and desire to substitute themselves for the present broker.

This section is also intended to encourage brokers to participate in the Service by assuring them that other Participants will not attempt to persuade the seller to breach the listing agreement or to interfere with their attempts to market the property. Absent the protection afforded by this section, listing brokers would be most reluctant to generally disclose the identity of the seller or the availability of the property to other brokers.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

This section does not preclude solicitation of listings under the circumstances otherwise recognized by the Standards of Practice related to Article 16 of the Code of Ethics.

Section 4.4. USE OF THE TERMS MLS AND MULTIPLE LISTING SERVICE: No MLS Participant, subscriber or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise.

DIVISION OF COMMISSIONS

Section 5 COMPENSATION SPECIFIED ON EACH LISTING: The listing broker shall specify, on each listing filed with the Multiple Listing Service, the compensation offered to other Multiple Listing Service Participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how

promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid.

In filing a property with the Multiple Listing Service of an Association of REALTORS®, the participant of the Service is making blanket unilateral offers of compensation to the other MLS Participants, and shall therefore specify on each listing filed with the Service, the compensation being offered to the other MLS Participants. Specifying the compensation on each listing is necessary because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell.*

*The compensation specified on listings filed with the Multiple Listing Service shall appear in one of two forms. The essential and appropriate requirement by an association Multiple Listing Service is that the information to be published shall clearly inform the Participants as to the compensation they will receive in cooperative transactions unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms.

1. By showing a percentage of the gross selling price.
2. By showing a definite dollar amount.

Note: MLSs may also, as a matter of local discretion, allow participants to offer cooperative compensation as a percentage of the net sales price, with the net sales price defined as the gross sales price minus buyer upgrades (new construction) and seller concessions as defined by the MLS unless otherwise defined by state law or regulation.

The listing broker retains the right to determine the amount of compensation offered to other Participants (acting as subagents, buyer agents, or in other agency or nonagency capacities defined by law) which may be the same or different.

This shall not preclude the listing broker from offering any MLS Participant compensation other than the compensation indicated on any listing as published by the MLS provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in the Service. Any superceding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount.

NOTE 1: The Multiple Listing Service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the association Multiple Listing Service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a Participant. The Multiple Listing Service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

NOTE 2: The listing broker may, from time to time, adjust the compensation being offered to other Multiple Listing Service Participants for their services with respect to any listing by advance published notice to the Service so that all Participants will be advised.

NOTE 3: The Multiple Listing Service shall make no rule on the division of commissions between Participants and nonparticipants. This should remain solely the responsibility of the listing broker.

NOTE 4: Multiple Listing Services, at their discretion, may adopt rules and procedures, enabling listing brokers to communicate to potential cooperating brokers that gross commissions established

in listing contracts are subject to court approval, and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction.

NOTE 5: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction.

NOTE 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may, as a matter of local discretion also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential "remarks" available only to participants and subscribers.

Section 5.0.1 Participants may, but are not required to, disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) to other participants and subscribers.

When disclosed, participants may, at their discretion, advise other participants whether and how any reduction in the gross commission established in the listing contract, required by the lender as a condition of approving the sale, will be apportioned between listing and cooperating participants.

Section 5.1 PARTICIPANT AS PRINCIPAL: If a Participant or any licensee (or licensed or certified appraiser) affiliated with a Participant has any ownership interest in a property, the listing of which is to be disseminated through the Multiple Listing Service, that person shall disclose that interest when the listing is filed with the Multiple Listing Service and such information shall be disseminated to all Multiple Listing Service Participants.

Section 5.2 PARTICIPANT AS PURCHASER: If a Participant or any licensee (including licensed and certified appraisers) affiliated with a Participant wishes to acquire an interest in property listed with another Participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker.

Section 5.3 DUAL OR VARIABLE RATE COMMISSION ARRANGEMENTS: The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code or symbol as required by the MLS. The

listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease.

SERVICE CHARGES

Section 6. SERVICE FEES AND CHARGES: The following service charges for operation of the Multiple Listing Service are in effect to defray the costs of the Service and are subject to change from time to time in the manner prescribed:

- (a) Initial Participation Fee: An applicant for participation in the Service shall pay an initial participating fee of \$500.00 with such fee to accompany the application.
- (b) Quarterly Inclusive Fee: The quarterly inclusive fee of each Participant shall be an amount as established from time to time by the Board of Directors times each licensee, whether licensed as a broker, a salesperson, or a licensed or certified appraiser, who is employed by or affiliated as an independent contractor with such Participant. Payment of such fees shall be made on a quarterly basis and due the first working day of the quarter. Fees shall be prorated on a weekly basis.
- (c) Listing Fee: A Participant shall pay a fee as established from time to time established by the Board of Directors times each listing filed with the Service.

NOTE: Waiver provision may be requested by Participant and licensee who can satisfactorily demonstrate that he/she does not have access to or utilize the Service in any manner.

1. Waiver applications must be submitted 15 days prior to the beginning of each quarter and will commence on the first day of the upcoming quarter. All waivers will expire on December 31st of the calendar year.
2. Waiver applications will be reviewed and approved quarterly.
3. Applications must be completed and a letter of explanation for the qualification of a waiver must be submitted from the MLS Participant(Principal Broker). No prior fees will be refunded.
4. No approved waiver status will occur unless lockbox key accompanies the application and letter from the Participant.
5. If a waived agent relinquishes his/her waiver status, there will be a \$100.00 activation fee, plus current quarterly fees due from the agent's Participant (Principal Broker).
6. All waivers must be reinstated on a yearly basis.
7. Participants (Principal Brokers) will be charged quarterly for each licensee unless a waiver has been approved.

COMPLIANCE WITH RULES

Section 7 COMPLIANCE WITH RULES - AUTHORITY TO IMPOSE DISCIPLINE

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000.00
- e. probation for a stated period of time not less than thirty (30) days nor more than one (1) year
- f. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- g. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years.

Note: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period of time not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. (Revised 05/14)

Section 7.1 COMPLIANCE WITH RULES: The following action may be taken for noncompliance with the Rules:

(a) Dues, fees, fines or other assessments including amounts owed to the Board or the Board's Multiple Listing Service are due on the date specified. Fifteen (15) days after due date, a 10% penalty will be added. If not paid in full (including penalty) within 30 days of the due date, membership of the nonpaying member will be suspended. If not paid in full (including penalty) within 45 days of the due date, membership of the nonpaying member will be terminated. A former Member who has had his membership terminated for nonpayment of dues, fees, fines, or other assessments duly levied in accordance with the provisions of these Bylaws or the provisions of other Rules and Regulations of the Board or any of its services, departments, divisions or subsidiaries may apply for reinstatement in a manner prescribed for new applicants for membership, after making payment in full of all accounts due as of the date of termination. A fee of \$50.00 will be charged for any returned check or any charge back from a credit or debit card.

(b) All dues, fees, fines, assessments, or other financial obligations to the Board or Board Multiple Listing Service shall be noticed to the Board Member in writing setting forth the amount owed, due date and all other terms, including any processing fees for credit card payments (if applicable).

(c) For failure to comply with any other rule, the provisions of Section 9 and 9.1 shall apply.

MEETINGS

Section 8. MEETINGS OF MLS COMMITTEE: The Multiple Listing Service Committee shall meet for the transaction of its business at a time and place to be determined by the Committee or at the call of the Chairperson.

Section 8.1 MEETING OF MLS PARTICIPANTS: The Committee may call meetings of the Participants in the Service to be known as meetings of the Multiple Listing Service.

Section 8.2 CONDUCT OF THE MEETINGS: The Chairperson, or Vice Chairperson, shall preside at all meetings or, in their absence, a temporary Chairperson from the membership of the Committee shall be named by the Chairperson, or upon his failure to do so, by the Committee.

ENFORCEMENT OF RULES OR DISPUTES

Section 9. CONSIDERATION OF ALLEGED VIOLATIONS: The Committee shall give consideration to all written complaints having to do with violations of the Rules and Regulations.

Section 9.1 VIOLATIONS OF RULES AND REGULATIONS: If the alleged offense is a violation of the Rules and Regulations of the Service and does not involve a charge of alleged unethical conduct or request for arbitration, it may be administratively considered and determined by the Multiple Listing Service Committee, and if a violation is determined, the Committee may direct the imposition of sanction, provided the recipient of such sanction may request a hearing before the Professional Standards Committee of the Association in accordance with the Bylaws and Rules and Regulations of the Association of REALTORS® within twenty (20) days following receipt of the Committee's decision.

If, rather than conducting an administrative review, the Multiple Listing Committee has a procedure established to conduct hearings, the decision of the Multiple Listing Committee tribunal may be appealed to the Board of Directors of the Association of REALTORS® within twenty (20) days of the tribunal's decision being rendered. Alleged violations involving unethical conduct shall be referred to the Association's Grievance Committee for processing in accordance with the Professional Standards procedures of the Association. If the charge alleges a refusal to arbitrate, such charge shall be referred directly to the Board of Directors of the Association of REALTORS®.

Section 9.2 COMPLAINTS OF UNETHICAL CONDUCT: All other complaints of unethical conduct shall be referred by the Committee to the Executive Officer of the Lynchburg Association of REALTORS® for appropriate action in accordance with the professional standards procedures established in the Association's Bylaws.

CONFIDENTIALITY OF MLS INFORMATION

Section 10. CONFIDENTIALITY OF MLS INFORMATION: Any information provided by the Multiple Listing Service to the Participants shall be considered official information of the Service. Such information shall be considered confidential and exclusively for the use of Participants and real estate licensees affiliated with such Participants and those Participants who are licensed or certified by an appropriate state regulatory

agency to engage in the appraisal of real property and licensed or certified appraisers affiliated with such Participants.

Section 10.1 MLS NOT RESPONSIBLE FOR ACCURACY OF INFORMATION: The information published and disseminated by the Service is communicated verbatim, without change by the Service, as filed with the Service by the Participant. The Service does not verify such information provided and disclaims any responsibility for its accuracy. Each Participant agrees to hold the Service harmless against any liability arising from any inaccuracy or inadequacy of the information such Participant provides.

Section 10.2 ACCESS TO COMPARABLE AND STATISTICAL INFORMATION: REALTORS® who are actively engaged in real estate brokerage, management, appraising, land development, or building, but who do not participate in the MLS, are nonetheless entitled to receive by purchase or lease all information other than current listing information that is generated wholly or in part by the MLS including comparable information, sold information, and statistical reports. This information is provided for the exclusive use of these Members and individuals affiliated with these Members who are also engaged in the real estate business and may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office, or firm, except as otherwise provided in these Rules and Regulations.

OWNERSHIP OF MLS COMPILATIONS* AND COPYRIGHTS

Section 11. By the act of submitting any property listing content to the MLS, the Participant represents that he has been authorized to license and also thereby does license authority for the MLS to include the property listing content in its copyrighted MLS compilation and also in any statistical report on comparables. Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property.

Section 11.1 All right, title, and interest in each copy of every multiple listing compilation created and copyrighted by the Lynchburg Association of REALTORS®, and in the copyrights therein, shall at all times remain vested in the Lynchburg Association of REALTORS®.

Section 11.2 Each Participant shall be entitled to purchase from the Lynchburg Association of REALTORS® a number of copies of each MLS Compilation sufficient to provide the Participant and each person affiliated as a licensee (including licensed or certified appraisers) with such Participant with one copy of such Compilation. The Participant shall pay for each such copy the fee set by the Association.**

Participants shall acquire by such license only the right to use the MLS Compilation in accordance with these rules.

* The term MLS Compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the Participants, including, but not limited to, bound book, loose-leaf binder, computer data base, card file, or any other format whatsoever.

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

- (1) Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.*
- (2) Develop and post a DMCA-compliant website policy that addresses repeat offenders.*
- (3) Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.*
- (4) Have no actual knowledge of any complained-of infringing activity.*
- (5) Not be aware of facts or circumstances from which complained-of infringing activity is apparent.*
- (6) Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.*

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see [17 U.S.C. §512](#).

USE OF COPYRIGHTED MLS COMPILATIONS

Section 12. DISTRIBUTION: Participants shall at all times maintain control over and responsibility for each copy of any MLS compilation furnished to them by the association of REALTORS®, and shall not distribute any such copies to persons other than subscribers who are affiliated with such Participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an association Multiple Listing Service is strictly limited to the activities authorized under a Participant's licensure(s) or certification, and unauthorized uses are prohibited. Further none of the foregoing is intended to convey Participation or Membership or any right of access to information developed or published by an association Multiple Listing Service where access to such information is prohibited by law.

Section 12.1 MLS Participants and their affiliated MLS users and subscribers may not frame, paste, or copy information from the MLS's public website (www.lyncburgvarealtors.com) or any website owned by the Lynchburg Association of REALTORS®, except as provided for in these rules. (Fine is \$2500.00 to MLS Participant per violation)

Any Participant/Subscriber can report an alleged violation, however, this must be done in writing including facts to substantiate allegation. If reported by a Subscriber, his/her Participant must sign this report.

Upon receipt of alleged violation, Participant of firm named will be sent a copy of report and given five (5) days to respond. MLS Committee members will at their next scheduled monthly meeting review the report, make a decision, and impose the proper sanction. Both parties can be called to appear before the MLS Committee.

Notwithstanding the foregoing, pursuant to Section 9.1, a Participant found in violation of this Section 12.1 may request a hearing before the Professional Standards Committee of the Association within twenty (20) days following receipt of the MLS Committee's decision.

Section 12.2 DISPLAY: Participants, and those persons affiliated as licensees with such Participants, shall be permitted to display the MLS Compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS Compilation.

Section 12.3 REPRODUCTION: Participants or their affiliated licensees shall not reproduce any MLS Compilation or any portion thereof except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS Compilation and distribute to prospective purchasers, a reasonable* number of single copies of property listing data contained in the MLS Compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the Participant or their affiliated licensees, be interested.

Reproductions made in accordance with this rule shall be prepared in such a fashion that the property listing data of properties other than that in which the prospective purchaser has expressed interest, or in which the Participant or the affiliated licensees are seeking to promote interest, does not appear on such reproduction.

Nothing contained herein shall be construed to preclude any Participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the Participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the Participant and those licensees affiliated with the Participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted or provided in any manner to any unauthorized individual, office or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers.

Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed nonconfidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these Rules and Regulations.

* It is intended that the Participant be permitted to provide prospective purchasers with listing data relating to properties which the prospective purchaser has a bona fide interest in purchasing or in which the Participant is seeking to promote interest. The term "reasonable," as used herein, should therefore be construed to permit only limited reproduction of property listing data intended to facilitate the prospective purchasers' decision-making process in the consideration of a purchase. Factors which shall be considered in deciding whether the reproductions made are consistent with this intent, and thus "reasonable" in number, shall include, but are not limited to, the total number of listings in the MLS Compilation, how closely the types of properties contained in such listing accord with the prospective purchaser's expressed desires and ability to purchase, whether the reproductions were made on a selective basis, and whether the type of properties contained in the property

listing date is consistent with a normal itinerary of properties which would be shown to the prospective purchaser.

USE OF MLS INFORMATION

Section 13. LIMITATIONS ON USE OF MLS INFORMATION: Use of information from MLS compilation of current listing information, from the association's Statistical Report, or from any sold or comparable report of the association or MLS for public mass-media advertising by an MLS Participant or in other public representations may not be prohibited.

However, any print or non-print forms of advertising or other forms of public representations based in whole or in part on information supplied by the association or its MLS must clearly demonstrate the period of time over which such claims are based and must include the following, or substantially similar, notice:

"Based on information from the Lynchburg Association of REALTORS®
MLS for the period (date) through (date) ."

CHANGES IN RULES AND REGULATIONS

Section 14. CHANGES IN RULES AND REGULATIONS: Amendments to the Rules and Regulations of the Service shall be by a 2/3 vote of the Members of the Multiple Listing Service Committee, subject to approval by the Board of Directors of the Lynchburg Association of REALTORS®.

ORIENTATION

Section 15. ORIENTATION: Any applicant for MLS Participation and any licensee (including licensed or certified appraisers) affiliated with an MLS Participant who has access to and use of MLS-generated information shall complete an orientation program of no more than eight (8) classroom hours devoted to the MLS Rules and Regulations and computer training related to MLS information entry and retrieval and the operation of the MLS within thirty (30) days after access has been provided.

Participants and subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize participants and subscribers with system changes or enhancements and/or changes to MLS rules or policies. Participants and subscribers must be given the opportunity to complete any mandated additional training remotely.

INTERNET DATA EXCHANGE

Section 16. IDX DEFINED: IDX affords MLS Participants the ability to authorize limited electronic display of their listings by other participants.

Section 16. 1 AUTHORIZATION: Participants' consent for display of their listings by other Participants pursuant to these Rules and Regulations must be established in writing. If a Participant withholds consent on a blanket basis to permit the display of that Participants' listings, that Participant may not download, frame or display the aggregated MLS data of other Participants. Even where Participants have given blanket authority for other Participants to display their listings on IDX sites, such consent may be withdrawn on a listing-by-listing basis where the seller has prohibited all Internet display.

Section 16.2 PARTICIPATION: Participation in IDX is available to all MLS Participants who are REALTORS® and who consent to display of their listings by other Participants.

Section 16.2.1: Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies.

Section 16.2.2: MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines.

Section 16.2.3: Listings including property addresses, can be included in IDX displays except where a seller has directed their listing brokers to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs).

Section 16.2.4: Participants may select the listings they choose to display on their IDX sites based only on objective criteria including, but not limited to, factors such as geography or location ("uptown", "downtown", etc.), list price, type of property (e.g. condominiums, cooperatives, single-family detached, multi-family), cooperative compensation offered by listing brokers, type of listing (e.g., exclusive right to sell or exclusive agency), or the level of service being provided by the listing firm. Selection of listings displayed on any IDX site must be independently made by each Participant.

Section 16.2.5: Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every 12 hours.

Section 16.2.6: Except as provided in the IDX policy and these rules, an IDX site or a Participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity.

Section 16.2.7: Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, "control" means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules.

Section 16.2.8: Any IDX display controlled by a participant or subscriber that

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

Either or both of those features shall be disabled or discontinued for the seller's listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 16.2.9, a participant's IDX display may communicate the participant's professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller.

Section 16.2.9: Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false

data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 16.2.10: An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display.

Section 16.2.11: Participants shall not modify or manipulate information relating to other participants listings. MLS Participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields.

Section 16.3 DISPLAY: Display of listing information pursuant to IDX is subject to the following rules:

Section 16.3.1: Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS participants and users (e.g., cooperative compensation offers, showing instructions, property security information, etc.) may not be displayed.

Section 16.3.2: All listings displayed pursuant to IDX shall identify the listing firm in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures.

Section 16.3.3: Non-principal brokers and sales licensees affiliated with IDX participants may display information available through IDX on their own Web sites subject to their Participant's consent and control and the requirements of state law and/or regulation.

Section 16.3.4: All listings displayed pursuant to IDX shall show the MLS as the source of the information. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures.

Section 16.3.5: Participants (and their affiliated licensees, if applicable) shall indicate on the Web sites that IDX information is provided exclusively for consumers' personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred (200) characters or less are exempt from this requirement but only when linked directly to a display that includes all required disclosures.

Section 16.3.6: The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance shall be limited to fewer than one hundred (100) listings or five percent (5%) of the listings available for IDX display, whichever is fewer.

Section 16.3.7: The right to display other participants' listings pursuant to IDX shall be limited to a participant's office(s) holding participatory rights in this MLS.

Section 16.3.8: Listings obtained through IDX feeds from REALTOR® Association MLSs where the MLS Participant holds participatory rights must be displayed separately from listings obtained from other sources. Listings obtained from other sources (e.g., from other MLSs, from non-participating brokers, etc.) must display the source from which each such listing was obtained. Displays of minimal information (e.g., “thumbnails”, text messages, “tweets”, etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. (Amended 11/14) **O**

Note: An MLS Participant (or where permitted locally, an MLS Subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS Participant (or MLS Subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that Participants may display listings from each IDX feed on a single webpage or display.

Section 16.3.9: Display of expired, withdrawn, and sold listings* is prohibited. *Note: If “sold” information is publicly accessible, display of “sold” listings may not be prohibited.

Section 16.3.10: Display of seller's(s') and/or occupant's (s') name(s), phone number(s), and email address(es) is prohibited.

Section 16.3.11: Participants are required to employ appropriate security protection such as firewalls on their websites and displays provided that any security measures required may not be greater than those employed by the MLS.

Section 16.3.12: Participants must maintain an audit trail of consumer activity on their website and make that information available to the MLS if the MLS believes the IDX site has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by consumers.

Section 16.4 SERVICE FEES AND CHARGES: Service fees and charges for participation in IDX shall be as established annually by the Board of Directors.

VIRTUAL OFFICE WEBSITES (VOWs)

Section 17. Virtual Office Websites (VOWs)

Section 17.1 VOW Defined

- a. A “Virtual Office Website” (VOW) is a participant’s Internet website, or a feature of a participant’s website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee

affiliated with a participant may, with his or her participant's consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant's oversight, supervision, and accountability.

- b. As used in Section 19 of these rules, the term "participant" includes a participant's affiliated non-principal brokers and sales licensees—except when the term is used in the phrases "participant's consent" and "participant's oversight, supervision, and accountability". References to "VOW" and "VOWs" include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an "Affiliated VOW Partner" (AVP) on behalf of a participant.
- c. "Affiliated VOW Partner" (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant's supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW.
- d. As used in Section 19 of these rules, the term "MLS listing information" refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participants.

Section 17.2

- a. The right of a participant's VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.
- b. Subject to the provisions of the VOW policy and these rules, a participant's VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., "Internet Data Exchange" (IDX).
- c. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant's VOW.

Section 17.3

- a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.
 - i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, "Registrants"). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
 - ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has

agreed to the terms of use.

- iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password.
- b. The participant must assure that each Registrant's password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant's password.
- c. If the MLS has reason to believe that a participant's VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.
- d. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
 - i. that the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant
 - ii. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
 - iii. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
 - iv. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
 - v. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database
- e. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click.
- f. The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the participant and the Registrant.

Section 17.4

A participant's VOW must prominently display an e-mail address, telephone number, or specific identification

of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions or get more information about any property displayed on the VOW. The participant or a non-principal broker or sales licensee licensed with the participant must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW.

Section 17.5

A participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of MLS listing information. A participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 17.6

a. A participant's VOW shall not display the listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers via other delivery mechanisms, such as e-mail, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.

b. A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision.

Seller Opt-out Form

1. Check one.

a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.

b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.

2. I understand and acknowledge that if I have selected Option a., consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

Initials of Seller

c. The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater.

Section 17.7

a. Subject to Subsection b., below, a participant's VOW may allow third-parties:

- i. to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- ii. to display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.

b. Notwithstanding the foregoing, at the request of a seller, the participant shall disable or discontinue either or both of those features described in Subsection a. as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all participants' websites. Subject to the foregoing and to Section 19.8, a participant's VOW may communicate the participant's professional judgment concerning any listing. A participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller.

Section 17.8

A participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participant shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing broker explaining why the data or information is false. The participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 17.9

A participant shall cause the MLS listing information available on its VOW to be refreshed at least once every three (3) days.

Section 17.10

Except as provided in these rules, in the **NATIONAL ASSOCIATION OF REALTORS®**, VOW policy, or in any other applicable MLS rules or policies, no participant shall distribute, provide, or make accessible any portion of the MLS listing information to any person or entity.

Section 17.11

A participant's VOW must display the participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 17.12

A participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by listing broker, and whether the listing broker is a **REALTOR®**.

Section 17.13

A participant who intends to operate a VOW to display MLS listing information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW policy, and any other applicable MLS rules or policies.

Section 17.14

A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the participant.

Section 17.15

A participant shall require that Registrants' passwords be reconfirmed or changed every 120 days.

Note: The number of days passwords remain valid before being changed or reconfirmed must be specified by the MLS in the context of this rule and cannot be shorter than ninety (90) days. Participants may, at their option, require Registrants to reconfirm or change passwords more frequently.

Section 17.16

A participant may display advertising and the identification of other entities ("co-branding") on any VOW the participant operates or that is operated on his or her behalf. However, a participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this section, co-branding will be presumed not to be deceptive or misleading if the participant's logo and contact information (or that of at least one participant, in the case of a VOW established and operated on behalf of more than one participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 17.17

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

Section 17.18

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from listings in the MLS.

Section 17.19

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.
