The LAR Leadership Academy (LA) requires participants to attend all program sessions. Program sessions are half-day events occurring once per month, January through June. The attendance policy set by the LAR Board of Directors is as follows:

All sessions are half-day sessions. Missing 15 minutes or more of a session will be counted as an absence.

- Upon missing one session, the participant will be given a written warning.
- A second absence shall be construed as resignation, and tuition will be forfeited.

Exceptions may be granted by the Executive Committee for extreme situations. Only the Executive Committee can make exceptions or terminate participants. Appeals must be made to the Executive Committee in writing.

LA Presidential Challenge Policy

All participants are required to complete all assignments given over the course of the Leadership Academy. Penalties for noncompliance with this policy will be left to the discretion of the Executive Committee. Any appeal of a decision should be made in writing to the Executive Committee.

I understand the Leadership Academy Attendance and Presidential Challenge Policies and agree to abide by them.
